

# HELLO KANAB

*Say hello to Kanab's new Recreation Director*

## A WARM WELCOME

*By Dan Ellison*

First, I'd like to give a special shout out to Kanab's Parents, Volunteers & Donors. Without you, Kanab City Recreation wouldn't be possible. Our Recreation programs/events start and end with your support. Thank you!

Second, in case you're wondering, 'How did a guy like him end up with a girl like her?' Let me tell you, miracles do happen. We are the Ellison's, from left to right: Dan, Logan (6 yrs), Kirsti, Charly (2 yrs) and Jett is almost here! We have received such a warm welcome already and are thrilled to be here.

I started working as the new Recreation Director October 15, 2018. I'm staying very busy running current programs, creating a new Recreation website ([www.kanabcityrecreation.com](http://www.kanabcityrecreation.com)), writing a new mission statement and organizing future programs/events.

Above is the new mission statement. I recite it aloud every morning in my office. I believe in it and I am committed to it.

I believe each person can make a difference, old or young, and it all starts right here in Kanab.

I look forward to giving all I can to Kanab City Recreation. Please stop by the city offices and introduce yourself. I welcome all feedback and ideas. Again, thank you for the warm welcome you have given my family. This is truly a wonderful place and time of year. Happy Holidays to you!
