33rd Anniversary Mother's Day 10K

by Dan Ellison

Families from all over the state will be in Kanab May 11 for the annual Kanab Mother's Day 10K race. If you are a mother, or if you have a mother, this is your official invitation to run one of the most scenic courses in southern Utah and "Make Mama Proud." A rose will be presented to each mom as she crosses finish line. The 10K course begins at Moqui Cave just north of Kanab and follows Highway 89 through the narrow red rock canyon into Kanab with a finish at the Kanab City Park. There will also be a 5k race option that will start at the halfway mark.

This is one of Kanab's premier events as many businesses and individuals converge to create a sense of community. We want everyone to experience it. So run, walk, volunteer, or cheer. We will see you there!
